## Longterm observation #2

There are significant regional differences

### Relevance of Customer Experience

11

### Longterm observation #3

### Company culture is key

12

### Challenges – what can't we do better? (2023)

13

### Challenges – what can't we do better?

	2017	2018	2019	2020	2021	2022	2023
#1	No CX Vision	Missing tools/IT	Company culture	Missing tools/IT	Company culture	Missing processes	Company culture
#2	Missing processes	Missing processes	Missing data	Missing processes	Difficulties measuring ROI	Company culture	Difficulties measuring ROI
#3	Company culture	Company culture	Missing competences	Company culture	Missing competences	Missing competences	Missing tools/IT

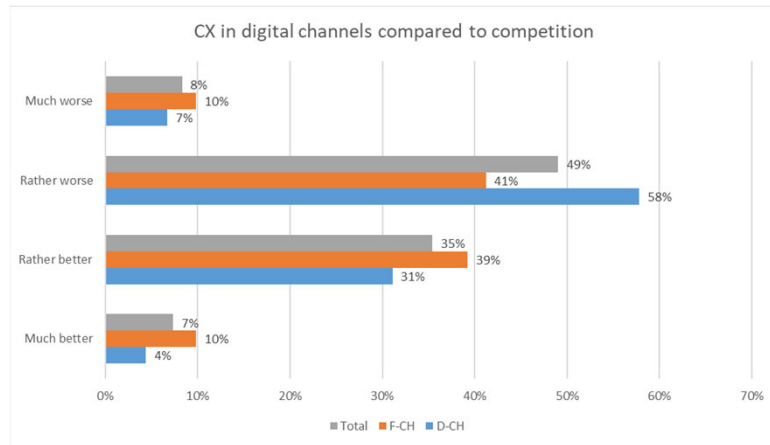

14

### Channel perspective (2023)

17

### Channel perspective

18

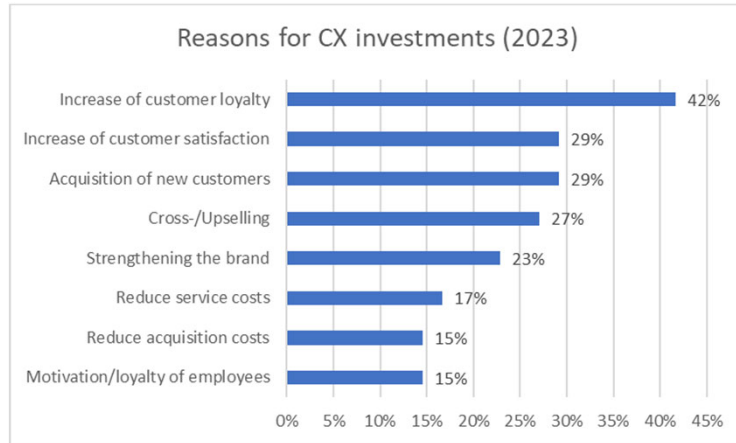

## Longterm observation #5

1/3 of companies do not invest in CX

### Investing in CX

### Investing in CX

21

### Investing in CX

22

## Longterm observation #6

No major changes in CX maturity level over time

23

### CX maturity

24

## Longterm observation #7

Having a CX vision makes a difference

25

### CX maturity

26

## Longterm observation #8

### Tendency towards dedicated CX responsibilities

27

### CX responsibilities

28

## 2023 observation

AI might be everywhere – but not with focus on CX

### AI and CEX
